ESSENTIAL DIMENSIONS OF POLARIZED ENDOMORPHISMS OF ABELIAN VARIETIES

Speaker: Yujie Luo
National University of Singapore

Time: Thu., Jan. 8th, 10:00-11:00

Venue: Room 106, SCMS

Abstract: We explore the essential dimension of polarized endomorphisms on abelian varieties and its relation with algebraic dynamics. This talk is based on joint work with Keiji Oguiso and De-Qi Zhang.
