ON THE ZERO MASS CONJECTURE

Speaker: Xiaowei Xu
University of Science and Technology of China

Time: Fri, Dec 13th, 14:00 - 15:00
Venue: Room 102, SCMS

Abstract:

In this talk we study the residual Monge-Ampere mass of PSH functions with S^1-symmetry，and we give a partial answer to zero mass conjecture raised by Guedj and Rashkovski. This is a joint work with Long Li and Weiyong He.
